FOREWORD

This new edition, first produced at a time of significant change in mental health law and practice, with the implementation of both the Mental Health Act 2007 and the Tribunals Courts and Enforcement Act 2007, remains a very welcome addition to the material available to those concerned in the field of mental health law. The author is an experienced practitioner and part-time Tribunal Judge in the Mental Health jurisdiction. He brings a wealth of knowledge and understanding to this work and is to be congratulated on his understanding of the legislation, Rules and Tribunal Structure.

This is a very worthwhile contribution to an important and sensitive subject and will be of real benefit to practitioners and others seeking an understanding of the law and practice.

His Honour Judge Phillip Sycamore
Chamber President of the First-Tier Tribunal
